

Primary Bank Teaming up with NH Fisher Cats for a Coat Drive

Donated Coats will go to New Horizons Soup Kitchen

November 19th, 2016 – Bedford, NH – Primary Bank is teaming up with the New Hampshire Fisher Cats and Fisher Cats Foundation to help provide coats for those in need this winter season. The Bank is asking that attendees of this Saturday's Granite State Baseball Dinner presented by Northeast Delta Dental bring a gently used coat that will be donated to the New Horizons Soup Kitchen and Shelter.

"New Horizons helps so many people in our area. It's hard to imagine with the cold weather settling in, there could be people outside who don't have the necessary clothes to stay warm. This is our way of trying to make a difference," said Bill Stone, President and CEO of Primary Bank. "To us, lending a hand is what it means to be a member of this community."

"The Granite State Baseball Dinner is a wonderful tradition in our state that is about giving back. We are honored to be partnering with Primary Bank on this community mission to help those in need stay warm," said Mike Ramshaw, President of the Fisher Cats. "We anticipate there will be more than 1,000 fans attending this event, and every coat donated will make a difference."

Those attending the dinner at the Radisson Hotel in Manchester this Saturday can drop off a gently used coat for donation. Coats of all sizes will be accepted, and all of the coats will be dry cleaned courtesy of E&R Cleaners and given to New Horizons for distribution. For those who aren't able to make the event there is also a drop off location in the lobby of Primary Bank, 207 Route 101 Bedford, NH 03110.

"We are a community bank, that means being involved in helping all those members in our local community," said Stone. "It's the right thing to do and it's part of our mission of giving back."
